This Order addresses an additional housekeeping matter that has not been raised before.

In the Order dated June 12, 2020, the Court, among other things, stated: "All counsel who had not appeared in an action prior to its transfer, and all counsel in actions filed originally in this district, must enter a notice of appearance in that action and in 20-MD-2941 and, if necessary, apply for admission pro hac vice." ECF No. 20, at 5. To further clarify, an attorney applying for admission pro hac vice should file such a motion in the 20-MD-2941 docket and "spread" the submission to all cases in which the attorney represents a party. The attorney shall be required to pay the pro hac vice fee for the equivalent of only one case.

SO ORDERED.
